

DLBC Family Week of Prayer & Fasting

June 2018

Daily Prayer Guide

Day 1: Jesus Encounters

I believe God's vision for DLBC is for every camper, volunteer, guest, and camp renter to have a Jesus encounter! Today let's pray for more Jesus encounters and invite Him to show up at camp in new and big ways. In Mark 2, Jesus heals a paralytic man and as the man gets up and walks out in front of the crowd they said, "We never saw anything like this!" Ask Jesus for encounters that we have never seen anything like before!

Day 2: Campers

Today let's focus our prayers around all of the campers that will be attending DLBC this summer. Pray that God will remove any hindrances keeping them from coming, for safety, that they would hear His voice, make new friends, feel loved and accepted, and that they would learn about the calling that He has placed on their life. Please pray for the campers that do not know Jesus as their Savior that they will give their lives to Him and for those that feel like they are helpless that they will find hope and help.

Day 3: Summer Staff

There are many people that make up the team at DLBC from generous volunteers to paid employees. Let's hold them up in prayer as they lead, serve, cook, sing, lifeguard, mow, and more. The summer season is very busy and exhausting so please pray for their endurance, strength, patience with campers, wisdom in decision making, and that they will all grow in their walks with the Lord.

Day 4: Renters & Relationships

DLBC relies financially on groups to rent out the camp in addition to our Bible camps. Please pray that we would be able to add new rental groups to the schedule and build up day rentals during the winter months. Camp will be hosting an "Open House" on June 9, please pray for us to build connections and relationships with our neighbors and community.

Day 5: DLBC Board & Teams

Please keep the Board and DLBC Teams in your prayers today, that the Lord would grant them all great wisdom, discernment, and guidance in their leadership roles, as they write policies, and work to bring the Kingdom of Christ here on earth. May the Lord bless their efforts, give them favor, and protect them.

Day 6: Protection & Favor

Running a camp has a lot of liabilities and the enemy wants nothing more than to see a thriving ministry crash and burn. Let's stand together believing that "no weapon formed against us will stand or prosper" (Is. 54:17) and that under the wings of God we will have refuge and protection (Ps. 91). Praying Scripture is a great stance to take against the enemy and a good posture to take in asking God for His favor.

Day 7: Direction & the future of DLBC

Dickey Lake Bible Camp has so much potential for growth and growing God's Kingdom. Today let's ask God what future plans He has specifically for this ministry, that He would open up new doors of opportunity, and that He would reveal the new steps we are supposed to take.
