

## Dickey Lake Bible Camp's Response to COVID-19 (Corona Virus) Pandemic

With ongoing guidance surrounding the Coronavirus (COVID-19), we want everyone connected to DLBC, to know that we're working hard to follow developments closely. We are walking closely with Yellowstone Alliance Adventures, the Rocky Mountain District Office, and cognizant of county, state and national guidelines set forth by the CDC (<https://www.cdc.gov/>) and Montana Public Health Dept. (<https://dphhs.mt.gov/>).

Currently, we plan to be in full operation for Summer 2020. While we acknowledge that this is a constantly evolving situation with many variables subject to change, DLBC is working proactively to provide as safe an environment as possible.

We are hoping and planning to run camps in Phase 3 of Montana's Reopening plan. Since there is no guarantee that Montana will be in Phase 3 by camp time, our Programs and Personnel Team is also determining our ability to hold camp in Phase 2, as well as what that would look like. Regardless of the status of the Phase of reopening in Montana, additional disease prevention, and cleaning measures will be in place.

We are developing appropriate arrival screenings, health response procedures, and cleaning procedures, to ensure that we meet or exceed standards required by the local and state health departments.

If for any reason we need to cancel a summer camp, due to COVID-19 risk factors, we will communicate with all of those camp registrants approximately 1 month before the start of their respective camp. If a camp must be cancelled due to COVID-19, registrants will have the option to receive a full refund.

We really want to be a part of campers experiencing God this summer, and we're committed to responsibly running a safe camp. Please pray that God would make a way and give us incredible wisdom.

Our theme this summer is '**Courage**' with Joshua 1:9 as our key verse:

*"This is my command—be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go."*

We care about you. We're here for you. Please don't hesitate to reach out if there's anything we can help you with.
